PROPERTY DESCRIPTION

Welcome to 5403 Hopark Drive, a spacious and beautifully updated brick Cape Code with huge basement and many recent updates. There are 4 roomy bedrooms and 3 full baths. The star of this home is the gigantic 19 foot by 22.5 foot screened-in porch off the family room. It offers great view of the backyard with mature trees and features a skylight, a ceiling fan and lots of seating space. New items include the roof, fence and stainless steel appliances in the kitchen. Gleaming hardwood floors flow throughout the living room, dining room, stairs to the upper level, upper level hallway and all bedrooms. The separate formal dining room has wainscoting and a window. A triple window and an additional window make the spacious living room very light and bright. The kitchen has a stainless steel stove, dishwasher and refrigerator, space for a table and a door out to the side yard. There is a generously-sized family room which includes an inviting fireplace with a brick surround and built-in bookcases on each side, recessed lighting and a door leading out to the screened-in porch. One bedroom is located on the main level; it features a ceiling fan, 2 windows, 2 closets and access to the dual-entry full bath with custom tile and an oversized pedestal sink. The upper level boasts three large bedrooms, a full bath with an oversized pedestal sink and new tile and a walk-in storage closet in the hallway. Highlights of the gigantic lower level include a full bath with new tile, a laundry/storage room with Maytag Neptune washer/dryer, a large workshop, a big rec room with 4 windows, a long closet with 3 doors and a door leading out to the brick patio and backyard. This home is in a great location near Metro, Old Town Alexandria and all major transportation routes!
